

Cross Hands Economic Link Road (Phase 2) Progress Report Summer 2018

GRIFFITHS
civil engineering and construction

As many of you will be aware Griffiths has been appointed Principal Contractor by Carmarthenshire County Council to construct Phase 2 of the Cross Hands Economic Link Road.

The route extends northwards from Black Lion Road to Norton Road and on to the A476 north east of Gorslas.

It will provide a direct access from the north to the Cross Hands East Strategic Employment Site and will relieve congestion at the main A48 Cross Hands Roundabout and improve safety at the 'six ways' junction at Gorslas square.

Llandeilo Road to Norton Road is expected to be completed by Spring 2019.
