

Welcome to the first Project Bulletin of 2020

We hope that you had an enjoyable Christmas break and would like to take this opportunity to wish you a happy and healthy 2020. As well as welcoming a new year, we also welcome a new Public Liaison Officer to the project, Georgie Davies. Georgie has worked for Griffiths for a number of years and will be the point of contact for anyone affected by our works. You can contact Georgie between the hours of 0830 and 1730 Monday to Friday via telephone on *0330 0412 183. Alternatively, you can email Georgie at georgie.davies@alungriffiths.co.uk

Project Progress

Over the next few months we will continue with our planned programme of excavation and drainage works and will commence surfacing, paving and kerb installation in Phases 1,2 & 3. All works are subject to weather conditions. We are currently on programme to complete the project at the end of May 2020.

Temporary Road Closure

We have a temporary road closure planned on Sandy Lane joining onto Newport Road commencing at 09.00am on Monday 13th January 2020. The temporary road closure will be in place for approximately 8 weeks and will enable us to safely complete service ducting, drainage, paving and reconstruction works to the carriageway. The temporary road closure will be in place on a 24 hour basis and diversion routes will be clearly signposted. We have included a copy of the diversion routes on the reverse of this bulletin.

We ask that you take the temporary road closure into consideration when planning any journeys.

Community Drop-in sessions

We will be continuing to hold fortnightly Community Drop-in sessions through January and February at Caldicot Library.
