

## THREE BILLY GOATS GRUFF

We all know the story of the Three Billy Goats who needed to cross the bridge to get to the green grass on the other side.

If you would like to familiarise yourselves there are some excellent videos on 'YouTube', but this is a particular favourite of ours:

### ACTIVITY

With items you can find around the house, can you build a bridge strong enough for the Three Billy Goats to cross?

For example, you can use items such as:

- Newspapers
- Toilet roll and kitchen roll tubes
- Lego, Duplo or any other type of building blocks
- Empty yoghurt tubs or other suitable containers
- Washed ice lolly sticks

### Success criteria:

Can your bridge hold:

- A banana
- A packet of biscuits
- A tin of backed beans
