

9<sup>th</sup> July 2020

Alun Griffiths (Contractors) Ltd have been appointed by YGC (Gwynedd Council) as the Principal Contractor to carry out work on the Rhostryfan Flood Alleviation Scheme.

We would like to make you aware that work will start in the centre of the village on Saturday 18<sup>th</sup> July and continue for a period of fifteen weeks, however every effort will be made to complete this work sooner.

During this time the road leading through the village of Rhostryfan, from the A487 Ffrwd Cae Du towards Rhosgadfan, will be closed to all traffic at the the village centre, from the junction to Rhos Isaf up to the Old Post Office. Access will be maintained at all times to Ysgol Rhostryfan and properties in the surrounding area however access will not be available from the village centre to Rhos Isaf. The closure is necessary to facilitate essential works which cannot be safely carried out using traffic lights.

The road closure has been advertised in the local press and advanced warning signs are displayed at either end of the affected areas, diversions signs will also be in place and we respectfully request that these are adhered to.

Please be assured that our staff will be adhering to the current COVID 19 guidelines and we will be asking that members of the public respect the 2m social distancing rules and do not approach the workforce.

In order to reduce the amount of contact we have with the public during this time we intend to communicate by email, where possible, and you can register for information on our Community website: <https://community.alungriffiths.co.uk/rhostryfan-flood-alleviation-scheme/>

Should you have questions regarding the proposed work please do not hesitate to contact me on the contact details below.

Yours sincerely

*Mandy Evans*
