

M5 Junction 25 Improvement Scheme Project Newsletter: February 2021

Toneway

We have recently carried out minor finishing works to Toneway and we will be going back to carry out more finishing works next week for approximately 2 weeks.

A358 East/Ruishton

We have continued installing signs and lighting columns and also completed gas connections.

Existed kerbs and surface course has been removed and new kerb lines have been installed on the two large splitter islands.

The older street lighting and signs have been disconnected and removed.

Upcoming works:

- Surfacing works starting 08/03/2021 on nights (See closures for details)
- Duct crossings to be installed (night works)
- Traffic signal works
- Aiming to finish the kerbing works by the end of the week

M5 Junction 25 Improvement Scheme – February 2021 – Continued

New Link Road

Otter fencing has recently been installed.

Upcoming works:

- Installing more fencing
- Installation of Vehicle Restraint Systems by existing A358 and install pedestrian barrier

J25 Gyratory

Streetlighting cable on Blackbrook Avenue has been installed and works have been carried out on the footpath and the bottom of the north bound exit slip.

Upcoming works:

- Continue finishing works
- Install BT supply and cabling for the CCTV masts
- Installation of Vehicle Restraint Systems on south-bound on slip & north-bound on slip
