

A55 Abergwyngregyn to Tai'r Meibion Improvements:

Project Bulletin: March 2021

Llywodraeth Cymru
Welsh Government

GRIFFITHS

civil engineering and construction

Introduction

Griffiths have been appointed by Welsh Government to undertake improvement works on the A55 at Abergwyngregyn, Gwynedd. The Design and Build contract will improve safety along a 2.2km stretch of the carriageway, between Junction 12 and 13, by removing direct accesses off the A55. Eight gaps in the central reservation which currently allow slow moving agricultural vehicles to cross the A55 will also be removed. The Project will also include over four kilometres of new and improved active travel facilities to encourage cycling and walking, supporting the principles of a low carbon society. The construction of an improved drainage system will also deliver more flood protection and resilience for the A55.

Progress

Construction commenced in Autumn 2020, with the establishment of the Site compound. Due to the location of the compound and the associated works, public footpath number 9 has been temporarily diverted and the new route is clearly signposted. Work on the new County Road, which is now clearly visible for the A55, is progressing well with site clearance nearly complete.

Key programme dates:

County Road Construction	Oct 2020 to May 2021
A55 Eastbound Works	May 2021 to Sep 2021
A55 Westbound Works	Sep 2021 to Feb 2022
County Road Finishing Works	Feb 2022 to Mar 2022

Want to get in touch?

Your dedicated Community Liaison Officer for the A55 Abergwyngregyn to Tai'r Meibion Improvements Project is Mandy Evans. She can be contacted between 8am and 6pm, Monday to Friday. Outside these hours, or if Mandy is unable to answer, please leave a message and she will get back to you.

Community Benefits

Our Project team are always keen to support national and local good causes and to date have supported three fundraising initiatives. The first was 'Movember' with seven members of the Project team raising £635 for the Men's Health charity whilst growing some excellent moustaches!

Project Team chose to support this year's Poppy Appeal by selling Poppy's on site as well as on other Griffiths sites across North Wales. This initiative managed to raise £197.50 for the very worthy cause.

To close 2020 the Project Team made a large donation of food to the Arfon Foodbank.
