

Dear Resident/Business Owner,

Rowbarton Traffic Signals Refurbishment

Griffiths have been appointed, by Somerset County Council, to undertake the refurbishment of traffic signals in Rowbarton as part of their Traffic Signals Framework.

Our works, which are anticipated to take 17 weeks to complete, will begin on Monday 22nd March 2021 and will include the installation of new traffic signals and the resurfacing of pavements on Kingston Road/Greenway Road, Kingston Road/St Andrew's Road, Cheddon Road/Priorswood Road as well as the pedestrian crossings on Kingston Road. The existing signals are nearing the end of their lifespan and will be replaced with modern equipment which will improve traffic flows. The scheme also includes pavement resurfacing works in the vicinity of residents' properties and will provide a much-improved provision for pedestrians and cyclists.

Our working hours will be Monday to Friday 7am to 6pm and Saturday 7am to 5pm. These hours may vary. We apologise for any disturbances and inconvenience caused during these essential works.

To safely deliver the proposed works, we will need to work under temporary road closures at different times and in various locations. When this is necessary, advanced warning signs will be in place and diversion routes will be clearly signposted. Access to all properties and businesses will be maintained at all times.
