

# Old Colwyn coastal defence work

**Work starts: 24 May 2021**

**Work finishes: September 2022**

We are pleased to let you know that we are starting work to improve coastal protection for Old Colwyn Promenade between Splash Point (by Old Colwyn Arches) and Rotary Way.

## What is happening?

The work will include:

- Installing rock armour to protect the sea wall and promenade
- Extending the existing culvert through the new rock armour
- Protecting the Dwr Cymru Welsh Water outfall beneath the new rock armour
- A new fishing platform at Splash Point (by Old Colwyn Arches)
- Improved beach access structures
- Improved access over existing rock groynes on the beach

## Will this affect traffic?

Yes. These major engineering works can only be done safely by completely closing off this section of promenade. The road and the active travel route from Splash Point (by Old Colwyn Arches) to Rotary Way will be closed throughout the work.

## Covid-19

Our staff will comply with current Covid-19 guidelines. Please respect the 2m social distancing rules and do not approach the workforce.

- the Council's Environment, Roads & Facilities advice team on [erf@conwy.gov.uk](mailto:erf@conwy.gov.uk) or call 01492 575337 to speak with Morgan Lloyd

**We apologise for any inconvenience and thank you for your patience while we carry out this essential work.**

# Gwaith ar amddiffynfeydd arfordirol Hen Golwyn

**Gwaith yn dechrau: 24 Mai 2021**

**Gwaith yn dod i ben: Medi 2022**

Rydym yn falch o roi gwybod i chi ein bod yn dechrau gwaith i wella'r amddiffynfeydd arfordirol ar Bromenâd Hen Golwyn rhwng Splash Point (wrth ymyl Bwâu Hen Golwyn) a Ffordd y Rotari.

## Beth sy'n digwydd?

Bydd y gwaith yn cynnwys:

- Gosod gwrthglawdd creigiau i ddiogelu wal y môr a'r promenâd
- Ymestyn y geuffos bresennol drwy'r gwrthglawdd creigiau newydd
- Diogelu arllwysfa Dŵr Cymru o dan y gwrthglawdd creigiau newydd
- Llwyfan pysgota newydd yn Splash Point (wrth ymyl Bwâu Hen Golwyn)
- Gwella strwythurau mynediad i'r traeth
- Gwell mynediad dros y grwynau creigiau presennol ar y traeth

## A fydd hyn yn effeithio ar barcio?

Bydd. Ni fydd yn bosibl gwneud y gwaith peirianeg mawr hwn heb gau'r darn yma o'r promenâd yn gyfan gwbl. Bydd y ffordd a'r llwybr teithio egnïol o Splash Point i Ffordd y Rotari ar gau drwy gydol y gwaith.

## Covid-19

Bydd ein staff yn cydymffurfio â'r canllawiau Covid-19 sydd mewn grym ar y pryd. Parchwch y rheolau cadw pellter cymdeithasol o 2 fetr a pheidiwch â mynd at y gweithlu.

## Mwy o wybodaeth

Cewch ragor o wybodaeth am ein cynlluniau ar gyfer Promenâd Hen Golwyn yn [www.conwy.gov.uk/coastaldefence](http://www.conwy.gov.uk/coastaldefence)
