

1 October 2021

Alun Griffiths (Contractors) Ltd have been appointed by the Welsh Government as the Principal Contractor to deliver the A55 Abergwynnregyn to Tai'r Meibion Improvement Scheme.

We would like to make you aware of essential work that will be carried out on the **westbound** carriageway of the A55 on the evenings of Thursday 7th October, Friday 8th October and Saturday 9th October. This work will start at 22.00 on Thursday and Saturday evening and be completed by 06.00 the following morning, on Friday evening it will commence at 23.00. This work is required to install an alternative Traffic Management layout on the A55 between Junctions 13 and 11, on the westbound carriageway. During our work there may be some noise disruption however every effort will be made to minimise this.

In order to safely carry out this work it will be necessary to close the westbound carriageway between junctions 15 and 11, including the slip roads at Junctions 14, 13, 12 and 11. These works are weather dependent and any adverse weather conditions may result in cancellation and subsequent additional shifts.

Please be mindful when accessing the A55, westbound carriageway, between junctions 13 and 11 that, with effect from 6.00 on Sunday 10th October, there will be an alternative road layout, which will include:

- narrow lanes (3.25m in lane 1 and 3m in lane2)
- 40mph speed restriction

Should you have questions regarding this work please do not hesitate to contact me on the contact details below.

Yours sincerely

Mandy Evans
