We would like to make you aware of essential work that will be carried out on the eastbound carriageway of the A55 on Sunday evening, 7<sup>th</sup> November. This work will start at 11.00pm and be completed by 05.00am the following morning and is required to install a new Traffic Management layout on the A55 between Junctions 12 and 13, on the eastbound carriageway. During our work they may be some noise disruption however every effort will be made to minimise this.

In order to safely carry out this work it will be necessary to close the eastbound carriageway between junctions 11 and 13, including the slip roads at Junctions 11, 12 and 13. These works are weather dependent and any adverse weather conditions may result in cancellation and subsequent additional shifts.

Please be mindful when accessing the A55, eastbound carriageway, between junctions 12 and 13 that, with effect from 5.00am on Monday 8<sup>th</sup> November, there will be an alternative road layout (see attached plan)
