Traffic Management (TM) Update- Night Closures

Monday 25th July – Wednesday 31st August 2022

As part of the essential work to complete this scheme and allow the team full access to the road there will need to be night-time closures of Toneway for about six weeks from 25 July. Undertaking the work in the evening when the traffic levels are much lower will significantly reduce the impact of the finishing works.

The closures will be in place from 8pm until 6am weekday evenings only from 25 July to 31 August. The road will be open during the evening at weekends.

This will be a full closure from the Hankridge roundabout to the Asda junction inbound and from the Wickes roundabout to the Hankridge roundabout outbound.

There may be some occasions when a night-time road closure can be avoided, or the team can close the road later in the evening. Updates will be posted regularly on Travel Somerset Twitter - @travelsomerset and Facebook.
